CONTRIBUTIONS TO OFFICIAL REPORTS, DOCUMENTS AND STUDIES

In addition to publications listed before, contributions were also made throughout my work with UN bodies since 1963 to their own official report documents and studies, which only bear the UN bodies name and do not refer by name to individual authors. There are too many in number to be listed here.

The contributions to UN reports, however, may be singled out:

- 1985 World Conference to Review and Appraise the Achievements of the UN Decade for Women, Nairobi, July: Development in sectoral areas: Replies to part II of the UN questionnaire: (Employment, Doc. A/Conf. 116/5/Add.2).
- 1980 Conference of the UN Decade for Women, Copenhagen: Review and evaluation of the progress achieved in the implementation of the World Plan of Action: (Employment, A/Conf. 94/8 Rev. I).

PARTICIPATION IN OFFICIAL CONSULTATIONS AND MEETINGS OF UN BODIES AND IN SEMINARS, WORKSHOPS, ET CETERA

In my official capacity as a staff member of the UN/ECA, ILO, and UN/INSTRAW, I have on several occasions each year represented the organization to which I belonged at that time. The occasions have been too numerous to be listed. Similar is the case with the seminars, workshops, etc., organized by the UN system and by institutes, universities, national, regional or inter-religious bodies, to which I was invited.
