

NEW FOR 2010

NOTICE OF GRANT AWARD

The Silverhill Institute of Environmental Research and Conservation will provide an award of \$3,500 to a graduate student in Canada.

The award is for a Thesis / Research project that:

- Has an applied environmental or conservation focus
- Contributes in a direct way to society and/or provides specific community benefit

The project must have a Canadian or North American focus.

In addition to the main award, two or more smaller research assistance awards of \$500 will also be made.

For application details, go to the website:

<http://www.silverhillinstitute.com> or

<http://www.silverhillinstitute.ca>

Applications will be accepted between **January 18, 2010** and **February 19, 2010**.

The Award(s) will be announced **May 1, 2010**.
