

Better Workplaces

Better Workplaces is a research initiative of the Sobey School of Business. It is a key focus in our ongoing effort to produce research that has a meaningful impact on the way we do business. The Better Workplaces research agenda is aimed at developing insights into the balance of factors that encourage positive organizational outcomes, including improved organizational performance and customer care, employee health and safety, good community-workplace relations, and ethical business practices.

One of the initiatives under the Better Workplaces umbrella is the introduction of this new electronic journal – The Workplace Review.
