

Scope of the eJournal

The Workplace Review showcases the strength of international faculty who are in touch with day-to-day workplace challenges. Drawing upon our diverse community of researchers, from the Sobey School of Business and other Atlantic Canadian universities, the journal will reflect developing issues in the functional specialties of marketing, finance, operations, information systems, economics, accounting, and management. It will address issues such as personnel staffing and selection, human resource management, leadership and coaching, occupational health, industrial relations, spirituality, diversity management, corporate governance and business ethics. The journal will remain flexible enough to incorporate future or emerging issues. All articles will focus on the central theme of the challenges and opportunities surrounding work, working and the workplace, but will not necessarily reflect the views of Saint Mary's University and the Sobey School of Business.
