Please Read and Sign Below (A \$25.00 non-refundable application processing fee is required)

Students cannot be accepted into residence until they have been accepted into the Intensive English Program by the TESL Centre and until they have submitted this application form along with the deposit plus application processing fee of \$850.00. Once placements have been made, offers for beds in residence will be faxed or e-mailed. Once a bed is offered, the \$825.00 deposit is non-refundable. This deposit is applied towards the student's first semester residence fees and is non-refundable and non-transferable. The University reserves the right to refuse an application for residence accommodation, to cancel residence privileges at any time, and to reassign students to other rooms for reasons it deems appropriate.

This application is for residence accommodation beginning on the Sunday before the Intensive English Program semester begins and ending on the Saturday after the semester ends. It excludes the Christmas recess and other breaks between semesters. It is understood that the University has the right to make regulations under which the student may be permitted to remain in residence and the student in making this application agrees to abide by all such regulations.

I have read and understood the guidelines and regulations outlined herein and I agree to abide by these guidelines and regulations, as well as any subsequent additions or alterations which are properly derived or promulgated. I also understand that Saint Mary's does not permit smoking in University Residence.
