

CanTEST 2010

SAINT MARY'S
UNIVERSITY SINCE 1802

One University. One World. Yours.

Halifax, Nova Scotia, Canada • www.smu.ca

The CanTEST is a comprehensive test of language ability that includes measures of four language skills (reading, writing, speaking, and listening). Scores are reported in each of the four areas using a "band system" that relates test scores to a descriptive statement about the candidate's ability.

An **average** score of 4.500 is required for unconditional admission to Saint Mary's. In addition, none of the individual scores may be below 4.0. Other universities may have different requirements.

Candidates are advised that the CanTEST requires the full day, so they should bring a lunch and be prepared to be on campus until late afternoon. Candidates must register at least one week prior to the test. Space is limited, so please register early.

On the day of the test, please bring a minimum of two pieces of government identification with you (including a picture ID or passport) as well as your registration confirmation.

If a candidate chooses not to write the test after they have registered, they must cancel before the registration deadline. Candidates will be refunded the test fee less a \$25.00 administration fee. After the registration deadline there is no refund.

The TESL Centre reserves the right to cancel any administration of the CanTEST if there is insufficient registration.

To register or for information call: 420.5691
