**Keynote Speaker**

**Colin Bernhardt**  
***A Personal Approach to Voice***

Actor, director and teacher, Colin Bernhardt has been an inspiring guide in the development of the natural voice for thousands of participants in classes and workshops in Canada and internationally. Based on his most recent book, **So to Speak: A Personal Approach to Voice**, Colin Bernhardt's talk and workshops will take conference participants on a guided journey to the source of speech - the inner self and its need to communicate. In the process gaining self-awareness and the ability to perform with confidence in life.

The aim of the conference is to address a need within Nova Scotia to share knowledge and insights on issues that affect post-secondary students with disabilities. Enhancing counselling services to optimize academic success and career development will be part of the learning process. If you work with students with disabilities in any capacity please join us for a day of interactive and instructional workshops.
