REACH MINDS TOUCH HEARTS  
CAPITAL CAMPAIGN

A gift to Saint Mary's University's \$40 million *Hearts & Minds* Capital Campaign is an opportunity to help shape and elevate the learning environment for students.

Your gift also presents a unique opportunity to be permanently recognized on our campus, or within our academic and student programming.

We encourage our donors to take advantage of these opportunities, either through an outright gift or through one that is pledged for up to five years. You may also choose to honour a family member or friend through a naming opportunity.

Every gift to our Campaign and to the University is meaningful, large or small. And the spirit of our donors' generosity will be felt by our students, faculty, staff, and community every day, for years to come.
