# Jonathan Reader Memorial Bursary

## Jonathan Reader

This award was established in 2005 through the generosity of the family and friends of the late Jonathan (Jon) Reader in honor of his life and his desire to help others pursue their dreams. Jon graduated from Halifax West High School in 2003 and his dream was to attend Saint Mary's University in the fall of 2005 to study Commerce.

Jon spent three wonderful years at Halifax West High School and it was the beginning of many new friendships. He was an avid hockey player, a passion that began at the age of six; Jon played defense for the Halifax West Warriors for two years.

Upon graduating, Jon decided to work and travel, his other great passion. He travelled to several places in Canada and several other countries enjoying the great outdoors snowboarding,

hiking and bringing home pictures of the amazing scenery he saw. He had tremendous courage for his young years to travel alone and see the world.

In 2005 Jon applied to Saint Mary's University and was accepted into Commerce. This was a dream come true and while his studies would put his travels on hold, he was already planning for a trip to Australia when he finished. His love of travel and adventure always remained with him.

In Jon's short life he worked hard and travelled around the globe. Jon was a young man full of energy and always in a hurry... he was determined to try everything he could and as soon as he could. Jon truly had a "Joie de vivre" – A love of life. His spirit lives on through others...as they too follow their dreams.

## Memorial Bursary

The Jonathan Reader Memorial Bursary provides an annual award to a first year student who is a graduate of Halifax West High School and enrolled in full-time undergraduate studies at Saint Mary's University. The award will be presented to a student with demonstrated financial need. Preference will be given to a student who shows commitment to the values of leadership through extracurricular activities or community service, and/or who is currently working full or part-time to help finance their education.
