## About ADAM

The African Diaspora Association of the Maritimes (ADAM) is a non-profit community based organization dedicated to providing various services to assist Africans in the Maritimes. Members consist of individuals of African descent, non-African spouses of Africans, as well as individuals who share the mission, vision, and objectives of ADAM.

## Mission

The mission of ADAM is to encourage and foster successful participation and integration of African Canadian Diaspora in the educational, social, political, civic, and economic activities in Nova Scotia and in the Maritimes. ADAM is a welcoming and integrating organization, and will strive to provide the tangible and intangible infrastructures that are needed to resettle and motivate new immigrants of African descent to stay in Nova Scotia.

**THE ADAM YOUTH MENTORSHIP PROGRAM** is a new initiative of ADAM in partnership with Citizen and Immigration Canada (CIC). The program is aimed at developing mentoring relationships that focuses on facilitating effective career choice and development for young people of African descent. By connecting at least 20 mentees with 20 mentors, young people of African descent will gain on-the-job experiences required for them to work in their chosen fields as professionals.

## GOALS AND OBJECTIVES

- To assist young people in exploring their career interests and options.
- To nurture career and skill development opportunities for young persons with seasoned professionals in chosen career fields.
- To encourage career development in areas underrepresented by persons of African descent.
