Would you like to spend a school year in Spain? Getting to know its culture and people while improving your Spanish and collaborating with other foreign language teachers in school tasks?

There are vacancies awaiting you in many Spanish cities and small towns. Why not apply for one?

The Language and Culture Assistants program is coordinated by the Spanish Ministry of Education in collaboration with the Spanish Comunidades Autónomas (regions) and the Education Offices of the

Embassies of Spain in the United States and Canada. It gives Junior and Senior College students as well as recent Graduates an opportunity to visit Spain and become acquainted with the Spanish education system, teachers and students, while sharing with them aspects of their own language and culture.

You may apply to go to any of the Comunidades Autónomas.

Grants will be given on a first-come first-served basis.
