

DEPARTMENT OF MATHEMATICS AND COMPUTING SCIENCE

FULL-TIME, LIMITED-TERM APPOINTMENT

The Department of Mathematics and Computing Science at Saint Mary's University invites applications for a full-time four-month limited term replacement position in Computing Science at the rank of Assistant Professor, to begin Jan 1, 2012.

Candidates should have a Ph.D. in Computer Science; and must both demonstrate an ability to pursue innovative research and have a strong commitment to teaching. The successful candidate will be expected to teach a variety of courses at the undergraduate level. It is expected that one of these will be a 4000-level course in HCI or Computer Game Programming, and one will be a 2000-level course in Assembly Programming.

Salary will be competitive, and depend on qualifications and experience, as outlined in the Saint Mary's University Collective Agreement. Saint Mary's offers one of the most dynamic primarily undergraduate programs in Atlantic Canada. Candidates are asked to provide a CV, summary of teaching experience, description of a proposed research program, and other relevant documentation, including the names and addresses of at least three references to:
