Building on our History of Supporting Customers and Communities

For many Canadian students, the jump from high school to post-secondary education is a thrilling transition into adulthood, but one that comes with new financial responsibilities.

At Johnson, we understand the challenges faced by students during their pursuit of higher education, and we are proud to offer scholarships to help them achieve their dreams. Since 1998, Johnson has awarded over 1500 scholarships and academic grants valued at more than \$1 million to support young Canadians coast to coast in pursuing their post-secondary education.

This year, we are pleased to offer 50 scholarships worth \$1000 each to students who have an auto or home policy through Johnson; or has a parent/guardian or grandparent who has an auto or home policy or group benefit plan with Johnson; or is a member/employee of a Johnson sponsor/client group; or is a child/grandchild of a Johnson employee.

Students must have completed high school in 2018 and must be beginning post-secondary education this fall or Cegep (if living in Québec).

Applications for the Scholarship Program will be open starting April 2nd, 2018. Completed application forms must be submitted by August 31st, 2018 and must contain an official school transcript of final year credits.
