

TWO EIGHT MONTH FACULTY POSITIONS IN ACCOUNTING

The Department of Accounting in the Sobey School of Business at Saint Mary's University invites applications for one of two eight-month contract positions at the Lecturer or Assistant Professor rank. Significant experience teaching at both the introductory and intermediate levels of Financial Accounting and/or Managerial Accounting will be an important consideration for the appointment. The appointment will commence September 1, 2017.

For a contract appointment at the Lecturer rank the Department normally expects strong teaching credentials and a Master's Degree in an applicable field or a professional accounting designation. Candidates with substantially equivalent qualifications and experience may be considered. For an appointment at the Assistant Professor rank a PhD is normally required. Most Accounting courses use a common syllabus and the successful candidate may be expected to help develop the common syllabus and co-ordinate a multi-sectioned Introductory Financial or Managerial Accounting course.

The Department of Accounting has a full-time complement of fifteen faculty members, supported by several part-time working professionals. The Department provides programming for approximately 400 undergraduate accounting majors and for the Sobey MBA (CPA Stream) as well as several Accounting courses in support of other undergraduate and graduate programs.

The Sobey School of Business is housed in an up-to-date facility, fully compatible with the latest advances in information technology. With 80 full time faculty members and an enrolment of approximately 3,000 students pursuing undergraduate, masters, and doctoral degrees, it is the largest and most comprehensive business programme in Atlantic Canada. In addition to being nationally known for its excellence in teaching, the Sobey School has also established an outstanding record of scholarship and a reputation for international outreach. The Sobey School is fully accredited by AACSB.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Saint Mary's University is committed to the principles of employment equity.

Applicants should submit a letter of application, curriculum vitae, prior teaching evaluations, and the names and full contact information of three referees to: Dr. Jeffrey Power, Chair Department of Accounting, Sobey School of Business, Saint Mary's University, Halifax, N.S. B3H 3C3; or by e-mail to jeff.power@smu.ca. More information about Saint Mary's University and the Sobey School of Business may be found at www.smu.ca and www.smu.ca/academic/sobey.

The closing date for applications is April 21, 2017, or when the position is filled.
