The Halifax Sexual Health Centre is a non-profit organization dedicated to providing high quality sexual and reproductive health care in an open, safe, and accessible environment. The mission of Halifax Sexual Health Centre is to improve and optimize the sexual health of all members of our community, by providing high quality and caring services, and empowering clients to make healthy choices. We welcome people of every race, ethnicity, culture, gender, sexual orientation, gender identity, age, ability, and income-level at our Centre. We are non-judgmental when it comes to your personal sexual health practices. Whatever you like or dislike, do or don't do – we're just here to help you stay safe, healthy, and happy! We value confidentiality, are pro-choice, sex-positive, youth positive, LGBTQ+ positive, and focused on the needs of our clients and community.
