

**REDECKING
THE MACDONALD
BRIDGE**

P. O. Box 40, 125 Wyse Road
Dartmouth, NS, B2Y 3Y2

Overnight closures on the Macdonald Bridge begin Sunday, March 1

Beginning March 1 construction begins on the Macdonald Bridge suspended spans deck replacement project, also known as the Big Lift.

From 7:00pm until 5:30am five nights a week (Sunday through Thursday) the bridge will be closed to vehicles.

There is no impact for pedestrians and cyclists until the bike lane and sidewalk are removed at the end of June 2015. At that time a free shuttle service will be provided.

There are no planned closures on the MacKay Bridge during the Big Lift.
