Kristkindlmarket is a traditional German market in downtown Dartmouth at Alderney Landing. Since its beginnings in 2009, we work to maintain a strong focus on providing engaging, entertaining, and unique cultural experience for all. Each year we work in partnership with the local German community to enhance the authenticity and reach of the event. The Kristkindlmarket is a free family event December 2nd - 4th.

On-Going Opportunities Throughout the Year

Weekend Farmer's Market is a friendly place to interact with vendors, customers and staff while helping to grow local community's businesses and charities. Volunteers are needed to help with set-up and tear down, but also to help Market staff and vendors with daily duties.

The Craig Gallery's mission is to introduce the works of emerging and established local artists collectively providing a diversity of mediums. We need volunteers to monitor the Gallery, help patrons and learn about local visual artistry. Alderney Landing enhances and maintains a gallery reflecting and promoting local emerging arts for Dartmouth.
