

**Department of Finance, Information Systems, and Management Science  
Limited Term Appointment**

The [Department of Finance, Information Systems, and Management Science](#) at the [Sobey School of Business](#) of [Saint Mary's University](#) invites applications for an 8-month limited-term position (Sept. 2022 to Apr. 2023) in **Finance** at the rank of Lecturer or Assistant Professor.

**Qualifications**

Candidates must have a master's degree. Candidates with a Ph.D. (or ABD) in Finance will be given preference.

The successful candidate must demonstrate

- ability and willingness to teach upper-level finance courses in undergraduate and graduate programs at the Sobey School of Business; (Preference will be given to candidates with teaching experience in investments or portfolio management.)
- strong communication skills and ability to build education connections with other areas (disciplines, programs, departments) of the Sobey School of Business and Saint Mary's University.

Having a strong research profile agenda in Finance is an asset.

**Responsibilities**

The successful candidate will engage in maintaining an inclusive, and collegial work environment across teaching and service activities. Responsibilities include:

- teaching load is 5 or 6 courses over the 8 months, depending upon rank;
- potential to contribute to curriculum renewal of undergraduate courses;
- potential to foster and add value to one or several of the existing graduate programs supported by the Department (Master of Finance, MBA or MBA-CPA);
- engagement in the life of the Department, Faculty, and University through service activities;
- commitment to upholding the values of Equity, Diversity, and Inclusion in all aspects of teaching, research, and service. This includes the ability to foster creative and collaborative intellectual inquiry by bringing diverse knowledge, experiences, and perspectives to learning activities and research projects.

## Saint Mary's University

Saint Mary's University is one of Canada's top primary undergraduate universities known for its international collaborations, leadership in entrepreneurship, and research that benefits local and global communities. Our programs in Arts, Science, Graduate Studies and the Sobey School of Business are among Canada's best and feature professors who are committed to the success of their students. Saint Mary's provides our 7,000 students with a place that fosters possibility, excellent research opportunities, and distinguished graduate and professional programs combined with a caring community. Saint Mary's is community-focused with strong values, operating the way the world should. We embrace diversity, are committed to sustainability, and bravely tackle the issues that matter to society.

With students from as many as 118 different countries and partnerships with institutions in dozens of other countries, Saint Mary's University is a leader in international and intercultural education. Nestled in the heart of Halifax, Nova Scotia, on Canada's east coast, Saint Mary's University is marked by iconic buildings, green spaces and fresh ocean air. Our campus is based in Mi'kma'ki, the ancestral and unceded territory of the Mi'kmaq, and is global in reach and influence. The Saint Mary's University community is committed to a prosperous future for the world—a world without limits.
