

Overview

Date Established: 1971

Location: 2705 Fern Lane, Halifax

General Contact: (902) 429-2202

Number of Volunteers: 300-400

The Ecology Action Centre is one of Atlantic Canada's largest and most active environmental organizations. Since 1971 we have been working at the local, regional, national and international level to create a healthier and more sustainable world. We work on issues from marine conservation to active transportation, local food security to national energy policy and more.
