Hello,

As an important partner of Johnson Insurance we wanted to share an update.

Today, we are pleased to announce that **Johnson Inc. ("Johnson")** was recently acquired by **Intact Financial Corporation**, the largest provider of property and casualty (P&C) insurance in Canada and a leading provider of specialty insurance in North America.

Although ownership has changed, we look forward to continuing to provide your members with exceptional personal insurance. Becoming part of Intact means our organizations will now benefit from each other's expertise and processes to keep improving the way we serve our partners and customers.

**No action is required by you or your members at this time.** Johnson will continue to provide you with the same great service you know and trust, and your members' insurance coverage and payments will remain the same.

As always, we remain focused on ensuring you and your members receive the best service we can provide. In the meantime, thank you for your ongoing support and please don't hesitate to be in touch if you have any questions.
