

Hello again SMU colleagues –

*This message sent to all full-time faculty, librarians, and others engaged in work supporting research activities.*

This time, I have 2 messages about SMU Research that I wanted to distribute widely; sorry it makes this message longer, but thought one email was better than two!

1. I am (again!) asking if you **\*all\*** could take 5 minutes **participate in our 3<sup>rd</sup> (of what will be a total of 5) “scenario”** in our solicitation of experiences to be part of developing the renewal of SMU’s Strategic Research Plan. So whether or not you’ve participated already in our first two scenarios, we would like everyone to follow this link to participate now:

**#3: Research Themes Scenario**

I’ve left my earlier emails about this online consultation process below, for your reference. Note that you can always go back in participate at any time in the first two scenarios here:

**Theme #1: Interdisciplinary Research**

**Scenario:** <https://smu.ca/strategicconversation/id/>

**Theme #2: Community-Engaged Research**

**Scenario:** <https://smu.ca/strategicconversation/ce/>
