

Hello again SMU Colleagues,

The 5th and Final “scenario” which I would like you all to engage with through our online consultation is now available, and just up until next Monday. Whether you have or haven’t yet participated in this process, now is the last chance to participate (again) , so please do! The link for this consultation is:

RESEARCH FUNDING scenario: <https://www.smu.ca/strategicconversation/>

(the first 4 Scenarios are still available to go back and participate in as well, until Monday, and those links are provided at the end of this message)

We will hold a **Working Session “Town Hall”** to review and collectively interpret the implications arising from all of the data you are generating on:

FRIDAY, MARCH 8 – from 11:00am to 2:00pm (in CLARI room – Atrium 340)

Other items related to Research @ SMU:

- Funding available for Community-Engaged Research initiatives – see message below for information (from email sent last week)
- **HUGE NEED for Faculty Members to volunteer to serve on the SMU Research Ethics Board** (particularly, but not only, from the Sobey School of Business) ... if you are involved with research involving human participants, please consider this service – we are in danger of REB proposals taking a long time to be reviewed and cleared because of not having enough members to review in the most timely way. If interested, please contact one of our REB Co-Chairs, Veronica Stinson and Jason Ivanoff, via reb.chair@smu.ca .
- **Tell your undergrad students – 4 Summer Student Research Award programs with application deadline this Friday** (1stYear Awards for all students, and SSHRC Explore Awards for SSHRC disciplines – see <https://smu.ca/research/student-research-opportunities.html> ; NSERC USRAs and Deans Awards for Science students – see <https://smu.ca/academics/summer-research-awards.html>)

Thanks.

adam

Note that you can always go back in participate at any time in the first four online scenarios for the Strategic Research plan consultation here:

Theme #1: Interdisciplinary Research

Scenario: <https://smu.ca/strategicconversation/id/>

Theme #2: Community-Engaged Research

Scenario: <https://smu.ca/strategicconversation/ce/>

Theme #3: Research Themes Research

Scenario: <https://smu.ca/strategicconversation/rt/>

Theme #4: Impacts of Technology Scenario: <https://smu.ca/strategicconversation/ti/>
