

An expert medical opinion **when you need it most.**

Teladoc Medical Experts is a confidential service offered to you and your eligible dependents as part of your employee benefits. They help provide clarity, confidence, and understanding if you have any concerns or doubts about a diagnosis, need help deciding on a treatment option, or question the need for surgery.

Their leading medical experts provide a wide range of services to help you and your treating physician make the best possible decision for your health. Teladoc Medical Experts gives you the peace of mind you deserve under any medical circumstance.

Teladoc Medical Experts provides a range of services that can help you:

- Feel confident about your diagnosis and treatment options
- Answer your medical questions and concerns
- Find a specialist or treatment facility either within or outside of Canada
- Navigate the healthcare system with useful resources

Your available services:

Expert Medical Opinion*

Review of an existing diagnosis and treatment from a world-renowned expert to confirm them or recommend a change.

Find a Doctor

Provides a list of local in-person experts who meet your specific medical needs.

Care Finder

Help locate specialists or facilities outside of Canada for your treatment/condition needs.

Personal Health Navigator

Get a variety of information that's condition-specific from a registered healthcare professional including articles, and community resources that can assist your medical needs.

We're here to help. Call us today.

Call 1-877-419-2378 or visit Teladoc.ca/medical-experts

*Service formerly known as InterConsultation.

Expert medical advice when you need it most through an **Expert Medical Opinion.**

Our leading medical experts can help you make confident medical decisions if you have questions about a diagnosis, treatment option, or the need for surgery.

Our medical experts review and advise on conditions like:

- Heart issues, heart attacks, and strokes
- Knee, joint, and back pain
- Different types of cancer and tumors
- Digestive and stomach issues
- And any health condition causing concern

Get a personalized report from a medical expert who specializes in your condition for advice and answers

Receive advice from the comfort of your own home, provided at no cost

Help eligible dependents get the clarity and advice they deserve too

How Expert Medical Opinion works:

Give us a call and a clinician will listen to your concerns, gather your medical history, and find the right expert for you. Once the expert reviews your diagnosis and treatment plan, we'll send you the expert's opinion in a report with recommendations for your best health path forward.*

*Teladoc Medical Experts does not make referrals or appointments for members or arrange or cover the cost of travel or lodging.

We're here to help. Contact us today.

Find the right medical expert for your condition with **Find a Doctor**.

When it comes to your health, you deserve the best possible care. With Find a Doctor, we can help you locate local specialists who meet your specific medical needs.

Perform a personalised search for a specialist within our world-renowned expert network.

Get peace of mind when we locate the right specialist for your condition so you can make confident medical decisions.

Help with navigating the healthcare system all from the comfort of your own home.

How it works:

Give our team a call and a coordinator will listen to your concerns and start the search for the right specialist. Once the search is complete, we'll send you a list of specialists and how to get in touch with them.¹

Find the right medical expert for your condition with **Care Finder**.

When it comes to your health, you deserve the best possible care, which sometimes means you need a medical specialist outside of your country to provide that care. With Care Finder, we can help you locate specialists **outside of Canada** who meet your specific medical needs.

Perform a personalized search for a specialist within our world-renowned expert network.

Get peace of mind when we locate the right specialist for your condition so you can make confident medical decisions.

Help with navigating the healthcare system all from the comfort of your own home.

How it works:

Give us a call and we will listen to your concerns and start the search for the right specialist.

Once the search is complete, we'll send you a list of top experts and how to get in touch with them.¹

¹Teladoc Medical Experts does not make referrals or appointments for members or arrange or cover the cost of travel, lodging, or treatment. Traveling to one of the experts outside of Canada is not covered by our service. We only locate the right expert for you.

We're here to help. Contact us today.

Personal Health Navigator provides the medical information you need without the search.

When you don't have the time to search for answers to your questions about a diagnosis or treatment plan, Teladoc Medical Experts can help. We can provide a variety of information that's condition-specific from a registered healthcare professional including articles and community resources that can assist your medical needs.

Get help navigating the Canadian healthcare system and get the information you need quickly.

Receive personalized information and resources available in your community.

Find reliable answers to your questions to help you make confident medical decisions.

How it works:

Give us a call or go online to get started and a clinician will listen to your questions and concerns, then gather helpful information and resources for you. We'll stay in contact with you to make sure all your questions are answered.

We're here to help. Contact us today.
