WAITLIST STEPS FOR LABS/ RECITATIONS

OVERVIEW:

- Courses with labs/recitations have the waitlist cap added to the LAB/RECITATION, not the course.
- If there is space in a lab/recitation, there is space in the course.
- Allows students to change lab/recitation sections.

SPACE IN COURSE, BUT PREFERRED LAB/RECITATION IS FULL:

- You should register for the course and lab/recitation that are open, securing your space in the course.
- You can waitlist yourself for the other lab/recitation, and if a space becomes available, you can switch.
- Waitlisting your space for a particular lab/recitation, where the course isn't full, will not hold your space in the course.

WAITLIST FOR A LAB/RECITATION, COURSE IS FULL:

Register for the waitlist if a course is full, and there are waitlist spaces available for the lab/recitation.
